THREE SHARP FAVORITES WIN.

Thursday's four and one-half furlong two-year-old race at Ingalls Park furnished one of the prettiest finishes of the meeting. Three good youngsters, Bonito, Dousterswivel and Our Gertie were only heads apart at the end. It was a good betting race too, with Dousterswivel the favorite and Our Gertie, a well backed "good thing," second choice. The latter is by Salvatore, out of Columbine and her stable is very sweet on her. She is a grand looking filly too and considering that yesterday's was her first start, the race she ran was a cracking good one. When the barrier went up Our Gertie shied across the track and was almost left standing still. Caywood went after his field and overhauling them one by one was in front at the eighth pole. The effort, however, told on her and when Bonito and Dousterswivel challenged her she weakened a bit. She ran the best race and with better racing luck could not have lost. Dousterswivel also ran a good race coming from nowhere in the stretch.

The first race created quite a big sensation. Blaiseroek went back in the betting and rumor had it that he was not fit. He may not have been, but he ran a grand race and could Caywood have kept him from bearing in he might have beaten Glenmoynne. As it was he finished outside the money and that is what caused the sensation.

At the head of the stretch Blaiseroek seemed to be winning but below the sixteenth pole, in plain view of everyone, Caywood took a good hold of him and deliberately pulled him up. The crowd or those who did not want to, could not see that the horse was bearing in and all Caywood could do to keep from going over the fence was to pull up.

Lone Princess was in a soft spot in the third race, and running the three-quarters in a fraction better than 1:14, won with a bit to spare.

Harry Shannon and Counter Tenor shared the bulk of the play in the mile and sixteenth race, and the latter won running away.

A peculiar incident happened in the last race. On the way to the post Little Sadie threw her rider and tried to run away. She was caught early and sent back to the post, when she got away with a running start and won all the way. J. E. Cushing and his wife have gone to St. Paul to spend a few days.

Lient, Roller's good luck is still with him. He whipsawed two races yesterday.

SATURDAY'S GREAT AMERICAN.

The Great American Stakes of \$12,500 guaranteed is to be run at Gravesend Saturday. The race is at five furlongs with a five pound allowance for non-winners of \$2,500. Outside the allowance the contenders will carry their weights—Colts, 115 pounds, and fillies and geldings, 115 pounds. Some sixty-one horses are eligible. The best of them are: Firearm, Great Bend, Plaudit, Handpress, Previous, Midian, Murilo, Frohman, Varus, Uriel, Kitefoot, Blarneystone.

NOTES OF THE TURF.

Vengeance was bought by the Detroit ring gang about ten days ago and used at Windsor as Blucher. The horse, with Charley Miron, Hawley Chappel and Henry Chappel, his surface operators, was ruled off. The actual plotters escaped, as usual.

That unfortunate libel suit between Phil Dwyer and David Gideon is likely to be settled. The men met at the Brooklyn track and shook hands a few days ago.

John Madden made one of the coups of the season with Hamburg at Brooklyn Wednesday. Can he be the colt in the stable that is better than Howland?

Kansas City begins to race June 19 and is likely to keep going all summer. H. E. Woods, a Kansas man, will start and use the Maxwell machine.

The C. W. Stanton racing in the east will use all the horses he recently bought in New York for Central American racing this fall.

The Fleischmanns have bought Wolhurst from the Thompsons. The quoted price is \$5000.

Argentina II fell while at work last week, and hurt herself so badly that it was necessary to shoot her.
